

SmartFresh™
Quality System

Deliver High Quality
with Longer Shelf Life

SmartFresh™ Quality System for Avocados

AgroFresh

Protect quality and increase sustainability.

Safeguard the quality of your avocados with confidence and help reduce food loss and waste with the **SmartFresh™ Quality System**, an AgroFresh solution. Deliver more beautiful fruit to market, and ultimately to consumers. Locking in freshness and protecting against harmful outside elements begins with SmartFresh™.

The SmartFresh™ Quality System is the original post-harvest choice to help maintain consumer-desired produce freshness, and is available in a variety of formats designed to fit your facility or usage requirements.

- A complete system of proven solutions, customized use recommendations, versatile application formats, high-touch service and application verification.
- Backed by comprehensive science, extensive R&D databases, local application of deep global learning and continuous innovation.

Key benefits:

- Helps maintain internal and external fruit quality
- Extends avocado shelf life, allowing more flexibility to commercialize the fruit
- Helps reduce shrink throughout the supply chain, as well as food loss and waste

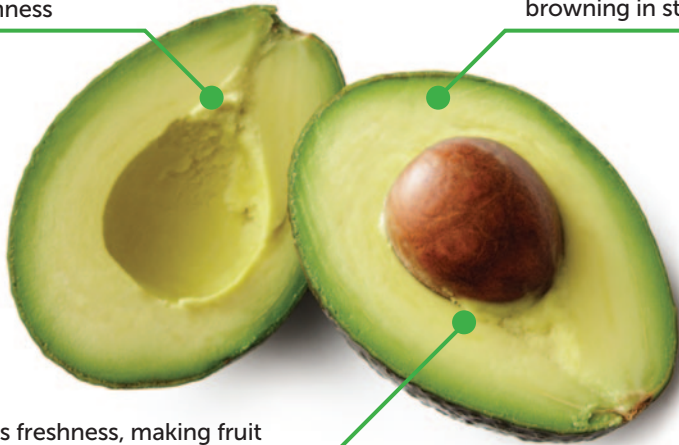

Maintain quality. Increase confidence.

HASS AVOCADOS

Maintains pulp firmness

Helps reduce external, internal and vascular browning in storage

Maintains freshness, making fruit more attractive to buyers

- Extends ready-to-eat shelf life
- Reduces fruit loss during storage and transportation and can be combined with Controlled Atmosphere
- Reduces the incidence of disorders
- Increases commercial flexibility, helping to manage inventories
- Proven and adopted technology in the main growing countries

SEE THE DIFFERENCE

CONTROL @ DAY 6

SMARTFRESH QUALITY SYSTEM @ DAY 11

How does it work?

The SmartFresh™ Quality System blocks ethylene receptors, delaying the ripening process of fresh avocados.

When is it applied?

The SmartFresh™ Quality System can be applied at any stage of the supply chain between grower and retailer. We offer flexible solutions to accommodate your unique setup.
